Congratulations to the prize winners and many thanks to the 78 riders who started and finished on the day also commiserations to No 34 who punctured just before the turn. Not sure why the event is no longer attracting a full field, numbers again reduced this year, but the good news is the times were faster
My thanks to Paul Mephram & Mick Morris for Time Keeping, Bob Stock & Michael Woods for pushing off, Andrew Beswetherick for organising parking at the HQ, Ray J Smith, Jim Callinan, Chris Brett and Bob West for marshalling at the turn, David Copley for marshalling at the top of the "Ski Slope", Steve Arey for assisting the timekeeper & signing the course, Le Luong & Ken Thornton for running the HQ and Tea Bar. Also James Salako and James Stillgrove-Smith for their assistance at our HQ, The Weald of Kent Grammar School.
