Thanks to everyone that rode today, the weather didn't start off great but after the delayed start conditions were pretty good. Big thanks to my amazing wife for all her support with the event especially her cakes! Also to Bob Giles who has assisted me along the way to iron out any issues that came up.

Marshalls were an issue but we got there in the end and they are all listed at the bottom of the sheet, so a massive thank you as without your help the event wouldn't have gone ahead.
