Well done and thank you to all the riders who turned up and completed our 10 mile event that was shortened from a 30 due to roadworks on A2070.

Our appreciation goes to Bob Giles and John Longbottom who sorted out this new course at very short notice ready for last weekend. We were able to take advantage this weekend and entrants were still able to get a ride.

Also a big thank you also from me to my group of helpers, without you we would not be able to do events like this. Many riders also asked me to pass on their thanks to you.

Start time keeper Chris Burrows, start official Andy Burrows, pusher off 'me', Bob Burden and Alyson Nye on the left turn to A2070, Dick Claxton, Mark Amon and Colin Inett at Brenzett RAB, Stewart King at Brooklands RAB, finish timekeeper Dave Mastin and recorder Andy McCall, Bob Giles managing times and result sheet back at Hamstreet Pavillion.

It was a cool morning, with intermittent drizzle and rain on already wet roads. There was a keen WSW breeze hampering progress at various points on this very flat course with less than 17 metres of elevation. Many commented on the poor road surface at Brenzett RAB that is very badly rutted (north to south), thanks to the marshals for warning and guiding the riders.

Back at Hamstreet Pavilion we had DIY refreshments and a selection of homemade cakes that went down well with the riders and helpers.

Thanks to Tracy Henderson and 'me' for the cakes.

The awards were presented to the riders and expenses to the helpers, with some generous applause from those present (If you did not collect your award/expenses please contact me and I will transfer it to you).

Well done to Nick Wilson (Rye & District Wheelers CC) who was the fastest Veteran on Age Adjusted Time with a 21:03 (AAT)

No surprise that the fastest time today was set by Nic Fennell (Thanet RC) with a 20:58 well done Nic.
