

# Bill Philbrook Memorial 25 Mile Time Trial Sunday 4<sup>th</sup> May 2014 Results

This event was promoted for and on behalf of  
CYCLING TIME TRIALS under their Rules and Regulations.

Dear Rider,

On behalf of Wigmore CC I would like to say thank you for supporting this year's Bill Philbrook Memorial 25 Mile Time Trial and contributing to our event.

It was a pleasure to see dry and sunny conditions after the weather we've had for the last couple of years, even if it was surprisingly cold on the course and as the early riders would attest, still foggy along the valley towards Canterbury. The dry conditions at least meant a slippery surface on the descent at Molash Hill was one less thing to worry about which just left the potholes and loose gravel. Thankfully there were no reported incidents on the hill or anywhere on the course for that matter and my gratitude goes to all competitors for riding safely and making it an accident-free event.

Similarly, my gratitude goes to those that were unable to race for letting me know well beforehand. As a result, not only were all reserves able to be given a place, but everyone that we expected on the day turned up which made the start timekeeper's job so much easier. I think I would be hard pushed to find another results sheet that had zero on-the-day DNS's.

And so to the racing. **Kevin Tye** (Velorefined Aerosmiths), the course record holder and a long-time supporter of this event claimed first place with a time of 52m 56s. Kevin's margin over second place **Seth Kay** (PMR@Toachim House) was a mere 1 second, with Seth equalling the time of 52m 57s he recorded in 2013. As a result, the time of 53m 15s for the 2013 winner **Pete Tadros** (In-Gear Quickvit Trainsharp RT) meant he came home in 3<sup>rd</sup> place.

We had a good contest among the ladies with 11 names on the start sheet. **Louise Mason** (Velorefined Aerosmiths) was fastest round the course in a time of 1hr 1m 47s, which was 41 seconds faster than her time in 2013 and enough for her to retain her title. Second place went to **Debbie Coyle** (VC Elan/Harry Perry Cycles) in 1hr 3m 09s, beating her namesake **Deborah Percival** (34<sup>th</sup> Nomads) into 3<sup>rd</sup> with a time of 1hr 6m 39s.

Having already scored first places in both the mens and ladies events, it probably didn't come as much of a surprise to many that Velorefined Aerosmiths also picked up the team prize. **Kevin Tye** was joined by fellow riders **Michael Barnes** and **Andrew Meilak** to record a combined time of 2h 43m 53s.

To the youth riders and with no juniors taking part this year it was down to the juvenile category to do their bit for the younger generation. Pre-race chat among the juveniles was fierce and centred on the prize pot of which there were 2 prizes to be split among the three riders. **Oliver Dickson** (Thanet RC), no stranger to picking up prizes at Wigmore CC's Hill Climb in the juvenile category, recorded his first win at the Philbrook Memorial with a time of 1hr 6m 13s. Second place went to **James Fosbery** (Rye & District Wheelers CC) with a time of 1hr 7m 39s and while this therefore meant **Oliver Robinson** missed out on the money, he deserves a mention for an excellent time of only 6 seconds behind James at 1hr 7m 45s. We hope you will all be back to fight it out again in the junior category next year.

Finally, the silverware for the event in the name of the Philbrook Memorial trophy, which is awarded to the fastest member of Wigmore CC. Two names have dominated this event for the last 8 years but with an excellent ride of 58m 07s, over 6 minutes faster than his 2013 time, **Phil Appleby** added a new name to the trophy. Many congratulations to Phil on what is sure to be the first in a big pile of silverware this year.

This event would not be possible to hold were it not for the marshals and supporters of the event who ensured everything went smoothly and safely. Continuing to support our event as they have for many years were timekeepers **Paul Mephram** (VC Elan) and **Vic Williams** (Medway Velo); assisting Paul with the recording was **John Clegg** (VC Elan). Pushing off responsibilities were once again expertly carried out by **Roch Moppet** and **Robert Philbrook**. Marshals out on the course were as follows – Canterbury roundabout: **Morris Jury**, **Geoff Martin**, **Brian Sturgess** and **Nick Howlett**; Chilham fork: **Dave Bedford** and **John Booty**; Ashford roundabout: **Dean Collins**, **Adam Grassby** and **Ray Gunner**. And before any of this became important, **Roy Mace** and **Clin Maisey** kept order in the carpark at the race HQ. Signing in was once again expertly managed by **Ann Staff**, who after supporting Wigmore events for about 60 years, has decided to hang up her signing-in hat. Many thanks go to Ann from everyone at Wigmore CC for all her support over the years. Ann was joined by **Jason Nind** before moving on to manage number crunching on the results board along with **Paul Buckley** and **Richard Masters**.

Finally a big thank you to **Mary** and **Robert Philbrook** for their continued sponsorship of the event and maintaining the association between Mary's late husband Bill and the Wigmore Cycling Club.
